Institute for Better Education

Making A Difference

Pre-School Tax Credit Facts

- Preschoolers with either an IEP or MET from an Arizona Public School are eligible to receive tax credit scholarships
- Preschool families are able to "solicit" recommended funds one academic year prior to attending Kindergarten
- One academic year prior to attending kindergarten encompasses two tax years
- Soliciting preschoolers are eligible to request Individual/Original & Plus/Switcher recommendations if they are attending an Arizona private Kindergarten
- IBE's website, ibescholarships.org, has many videos that will help you understand tax credits as well as soliciting recommended funds

Soliciting recommended funds for two tax years will help make private school kindergarten a reality!
