

Pre-School Tax Credit Facts

Preschoolers with either an IEP or MET from an Arizona Public School are eligible to receive tax credit scholarships

Preschool families are able to “solicit” recommended funds one academic year prior to attending Kindergarten

One academic year prior to attending kindergarten encompasses two tax years

Soliciting preschoolers are eligible to request Individual/Original & Plus/Switcher recommendations if they are attending an Arizona private Kindergarten

IBE’s website, ibescholarships.org, has many videos that will help you understand tax credits as well as soliciting recommended funds

Soliciting recommended funds for two tax years will help make private school kindergarten a reality!
