

Save Recommended Funds While on ESA

While your students are on ESA, you can still receive Recommended Fund Scholarships for multiple years through IBE to be used only when they are needed.

When: Right Now!

- Today is the perfect time to start accumulating Recommended Fund Scholarships to be held for future use

Why:

- High School costs are often double or triple the cost of a K-8 education. ESA will not cover your full tuition
- The ESA program is ever-changing and it is possible your child will not be eligible in the future
- Keeping your donors donating gives you School Choice funding options

How:

- Attend an Arizona K-12 private school
- Have a current application with IBE
- Continue having Arizona taxpayers recommended your child for their tax credits

To Use Saved Funds:

- Provide IBE with ESA cancellation of Contract documentation and Transfer Verification
- Accept Recommended Fund Scholarships through IBE

Best of Both Worlds!

Serving all of Arizona
